To Whom It May Concern:

Please find this letter as a recommendation for Theodore H. Sprink, senior executive of the nation's leading provider of commercial real estate origination and closing services, with whom I have established a professional relationship.

Over the course of the past year, I have had the pleasure of working with Ted on a number of important public affairs issues and have been impressed by his ability to take complex subject matter and distill into decipherable prose. This is a direct result of Ted's creativity, desire, commitment, inter-personal abilities, motivation, strategic abilities, and outstanding communication skills.

I wholeheartedly recommend Ted for any position that utilizes his talents to include direct engagement with key business development decision-makers and influencers.

Please let me know if I can be of further assistance.

Sincerely,

David Tamasi
